

## Students Honored At Annual Aloha Oe Ceremonies

Recognition in many fields of college work came to UTMB students at the annual Aloha Oe ceremonies. The annual honors program, first of the activities leading to commencement, was held on the Athletic Field Friday night, May 17. A large crowd of students, faculty, parents and friends attended.

Bobby Gregory, Trimble sophomore, won the All-Students Club Sophomore Award. This award, known as the Volunteer Symbol, is given to that sophomore student selected as most outstanding by vote of his fellow classmates.

Winners of the two Coca-Cola awards of \$50 each were Eleanor Gresham of Cordova and John M. White of Martin. The awards are sponsored by the Coca-Cola Company of Union City and Martin. Award is made by faculty vote with selection on the basis of scholarship, citizenship, and personality.

John E. Fowler, Jr., of Kenton was announced as winner of the \$25 Kreusi Improvement Award. This award, provided by the Hon. Paul K. Kreusi, former trustee of the University, is made by the faculty to the man or woman who has made the most improvement personally and will contribute most to his community.

Following the procession of the Senior and Sophomore classes, Dan Arnold, ASC President, installed the newly-elected officers for 1957-58. They are Jere Freeman of Martin, president; John Fowler of Kenton, vice-president; and Lawanna Walker of Savannah, secretary-treasurer.

Principal speaker of the evening was Damon Headden, State Representative from Ridgely. Mr. Headden traced the growth and progress of the University and discussed the problems facing it. Glenn Headden, Senior Class President, gave the response.

Following the announcement of the many awards winners by Mr. Earl Knepp, the program continued with the traditional lighting-of-the-torch ceremony. Then came the taking of the Alumni Pledge by the presidents of the All-Students Club, the Senior Class, and the Sophomore Class. Presidents Dan Arnold, Glenn Headden, and Bobby Gregory took the pledge, which was given by Dr. James R. Nichols. This impressive phase of the evening ended with the Passing the Torch to members of the graduating classes. Miss Helen Lamb and Mrs. Jack Shannon, former UTMB students, lighted the candles of the new graduates of the four and two-year programs.

The graduates then formed a huge "T" and then sang the Alma Mater. Taps played and echoed by Harvey Gardner and Bobby Damron concluded the first of the Commencement activities.

Prior to the services, an informal reception was held at the Home Ec. Building. Members of the graduating classes, their friends and relatives, and UTMB faculty members attended.

Winners of the various awards are as follows:

Jimmy Townsend of Paris, Leonard E. Arnn Prize of \$25 to a freshman student in business administration.

James Matheny of Union City, Wade Furniture Store of Martin Prize of \$25 to a sophomore student in business administration.

Helen Smythe of Tiptonville and Mary Elizabeth Grabel of Ridgely, the Pepsi-Cola Company of Martin prizes of \$50 each for outstanding ability in secondary and primary education.

## Business Department Adds New Instructors

Two new members will be added to the Business Administration Department this fall. The two are William E. Bailey and Mrs. Dottie Scates.

Mr. Bailey will teach accounting next fall. He is at present a member of the staff at Memphis State. He received his B.A. degree at Bowling Green College and his M.S. degree in accounting at the University of Mississippi in 1955. He has three years of general accounting experience, including one year with Ernest and Ernest, certified public accountants of Memphis.

Mrs. Scates has been retained as a combination secretary-treasurer effective September 1. She will receive her B.S. degree in Business Administration at Michigan State University in August. Mrs. Scates is the former Dottie Summers of Martin. She is a former student at UTMB.

## Helen Smythe Wins Second Annual Speech Contest

Jimmy Townsend, Jere Freeman Also Place

Helen Smythe of Tiptonville was the top winner in last week's David C. Allen Memorial Speech Contest. Other winners were Jimmy Townsend of Paris, second, and Jere Freeman of Martin, third. A total of six speakers competed in the second annual contest.

Miss Smythe, co-editor of the Volette, won the \$50 first place award with her speech, "Open the Door to a Better Life." Townsend won \$30 for his speech on juvenile delinquency, "Only a Child." Freeman won \$20 with his speech, "We Must Raise Our Educational Standards if We Are to Cope with Russia." The judges were highly complimentary of the efforts of all three speakers and reached their decisions only after considerable deliberations.

The David C. Allen Memorial Awards were established last year with the purpose of stimulating interest in public speaking. They are named in memory of Mr. David C. Allen, who had served as head of the speech department at UTMB for twenty years prior to his death several years ago. The cash awards are made possible through the cooperation of Vowell and Sons of Martin and the Sargent-Gerke Paint Company.

Others entering this year's contest, in addition to the three winners, were Betty Darby, Dan Arnold, and Richard Azwell.

## Home Economics Club Has Fashion Show

On Monday night, May 20, the Home Economics Club held its last meeting of the year 1956-57. One of the main events was a fashion show planned by the club and given by the girls of the Textiles and Clothing classes. These girls modeled the fashionable garments they had made during the year.

Some of the garments made and modeled were blouses, school dresses, dressy dresses, and woolen dresses. Miss Eleanor Gresham served as commentator for the show.

Following the fashion show Miss Mabel Yates, district supervisor of Home Economics Education, gave a very interesting and informative talk on the Tennessee Home Economics Association. She welcomed the graduating seniors into the association and presented them with their membership cards.

At the close of the program a tea was given honoring the seniors of 1957.

## Miss Louise Odom Visits Campus

Miss Louise Odom, home agent of Weakley County, visited the campus two days of last week. Miss Odom gave a demonstration on upholstery to the Related Art Classes.

Impressive Aloha Oe ceremonies ushered in the round of Commencement activities that will reach a climax June 2 with baccalaureate-commencement exercises. Principal speaker at Aloha Oe was Mr. Damon Headden, Tennessee State Representative. Members of the senior class and graduating sophomores participated in the traditional affair.

## 14 Pre-Med Students Take Admission Test

A total of 14 pre-med students took the Medical College Admission Test May 11. The 5-hour test was administered by George Horton, head of the Liberal Arts Department.

UTMB pre-med students who took the test are John Crenshaw, Douglas Haynes, W. C. McAfee, Tommy Sisk, William Tucker, Billy Goss, Larry Johnson, Charles Roberson, and Bobby Thompson.

## Vols Win Thriller Over Paducah, 3-2

The Vols won a hard-fought victory May 16 over Paducah J. C. The 3-2 win avenged an earlier loss to the same team.

The win was especially pleasing to Vol fans after the "comedy of errors" which hit the team the previous Friday at Union. Due to the injury to Tyson, Coach Chenette juggled his infield, sending Bill Joyner to 3rd, Bob Joyner to short, and putting Coy Thomas at 2nd. This combination sparked and backed Burton up in almost flawless fashion, with Bill Joyner at 3rd an especial standout.

UT won the game by coming from behind a 2-0 deficit and then shoving across the winning run in the last of the 9th. The winning rally opened with Galbreath getting a base on balls. Bill Joyner singled with Galbreath stopping at 2nd. After failing to sacrifice, Burton singled to right. Galbreath attempted to score but was out at the plate on a perfect throw from Logan to J. Johnston, with Joyner taking 3rd on the play.

Logan then came in from right to replace Johnson. Riddick was walked intentionally to fill the bases. On the first pitch, Penn claimed he was hit by the ball and the umpire tossed him out of the game. Fields replaced Penn and struck out. Logan then walked Crossnoe on 5 pitches to force in the winning run.

Paducah scored one in the fourth and fifth inning to lead 2-0. The first run came on 2 walks, a stolen base, and a single. The other came on a double, a stolen base, and a fielder's choice.

After leaving 2 men on in both the 2nd and 4th innings, UT scored in the fifth. Bob Joyner led off with a double to center. He took 3rd after a fly to right and scored after a sacrifice fly by Bill Joyner. The Vols tied the score in the 6th. Crossnoe led off with a walk. Davis sacrificed him to 2nd and Crossnoe then stole 3rd. He scored as Thomas was safe on an error by the pitcher.

Paducah threatened in the top of the 9th. With 1 out, Smith singled and stole second. He took 3rd as the next batter bounced out to Riddick. Usher, who had 3 hits in 4 times up, was the next batter. Coach Chenette had him intentionally passed and the strategy worked perfectly when Burton ended the inning striking out Blondi on 4 pitches.

## Miss Flowers Visits U-T, Knoxville

Miss Mary Ida Flowers, Acting Head of the Home Economics Department, was in Knoxville Monday and Tuesday, May 20 and 21. She conferred with Miss Jesse Harris, vice-dean of the Home Economics Department here at UTMB.

## William H. Baker To Complete Work On Doctor's Degree

William H. Baker, head of the Business Administration Department, has been granted a year's leave of absence to complete work for the Doctor of Philosophy Degree in Business Administration at the University of Alabama.

Mr. Baker recently received a John Hay Whitney Foundation Grant of \$2,350, to continue his studies in the fields of economics, statistics and accounting. He has also been awarded a fellowship of \$1,800 by the University of Alabama.

WILLIAM H. BAKER

A third honor came to Mr. Baker recently when he was elected to membership in the Alpha of Tennessee Chapter of Beta Gamma Sigma, national honorary society. This organization is sponsored by the American Association of the Collegiate Schools of Business. Membership is based on academic achievement and is open to graduate students in business administration who have ranked in the top ten per cent of their classes. Mr. Baker was elected to the honor society April 30, on the basis of his graduate record compiled at The University of Tennessee, Knoxville.

Mr. Baker came to the Martin Branch in 1952, after teaching three years at South High School in Knoxville. He plans to return as head of the Business Administration Department at UTMB when he completes the work for the Ph.D. degree.

## Gardner Elected To State Office

Harvey Gardner has been elected Training Union Representative for the Tennessee Baptist Student Union. He was elected to the position at recent State Retreats of Baptist students at Tennessee colleges.

Gardner will be responsible with his co-chairman, Miss Kathryn Cook of Dyersburg, for the daily noon-day devotions on the campus of the B.S.U. He will also be responsible for the promotion of Alpha Omega groups and other devotional activities of the B.S.U. Gardner is a freshman from Martin. He is majoring in engineering.

## Baseball Player Injured

Jim Tyson, star player on UTMB's baseball squad, received a slight skull fracture May 15. He is now at home where he will have to "take things easy" for several more weeks.

Tyson was hit over the left ear and was taken to the local hospital. His injury was at first diagnosed as a slight concussion, but was determined to be a skull fracture on a later examination.

The injury came in the first inning of the exhibition game with the UTMB faculty. Tyson was the Vols' leading long ball hitter this year. He had three home runs and 10 runs batted in at the time of the accident.

## Undefeated Season Again Captured By Women Netters

The UTMB women's tennis squad compiled an undefeated record this season. The girls of Coach Betty Giles won 7 matches, three of them by shut-outs. They also showed their ability to come through in the toughest going, winning three other matches by scores of 4-3.

Undefeated seasons are nothing new to the women's net squads. This year's record gives the team three successive undefeated seasons, a record unequalled by any other varsity team in UTMB history.

Members of the squad are Hurlane Brooks, Harriett Lavenue, Helen Cherry, Kay Pritchett, Jere Fuqua, and Joyce Bizzelle. With the Misses Brooks, Lavenue, and Bizzelle returning next year, the team may well continue its amazing string of victories for a fourth season.

Results of the women's tennis matches are as follows:

April 11—UTMB vs. Martin College (Here): UTMB 7, MC 0.  
April 24—UTMB vs. Bethel (Here): UTMB 4, Bethel 3.  
April 26—UTMB vs. Martin College (There): UTMB 7, MC 0.  
May 1—UTMB vs. Freed-Hardeman (There): UTMB 4, FH 3.  
May 6—UTMB vs. Bethel (There): UTMB 6, Bethel 1.  
May 8—UTMB vs. Lambuth (There): UTMB 4, Lambuth 3.  
May 9—UTMB vs. Freed-Hardeman (Here): UTMB 6, FH 0.

## EDUCATION CLUB ELECTS OFFICERS FOR NEXT YEAR

The Education Club met Monday night, May 20. The main business issue before the members, concerned the elections of officers for 1957-58. The offices filled were as follows:

President, Nelson Edwards; First Vice-President, Beth Goff; Second Vice-President, Barbara Brooks; Third Vice-President, Mary E. Grabel; Secretary, Doris Reedy; Treasurer, Don Anderson; Reporter, Vernon Adecock, A.S.C. Representative, Bettye Privett; Annual Representative, Mary K. Carrington.

## Joint Exercises Sunday At 2:00 On ABL Terrace

Joint baccalaureate-commencement exercises will be conducted this Sunday afternoon for members of the senior class. A total of 47 seniors will receive degrees of B.S. in agriculture and home economics. The exercises, which culminate the commencement activities, will be held at 2 p.m. on the terrace of the ABL Building.

The baccalaureate sermon will be delivered by the Rev. E. Thach Shauf, pastor of the Cumberland Presbyterian Church, Martin. The commencement address will be delivered by Dr. Webster Pendergrass, Dean of the College of Agriculture, University of Tennessee.

Graduates in the junior division will be presented by Mr. Paul Meek, Dean, University of Tennessee Martin Branch. Candidates for degrees in the College of Agriculture will be presented by Mr. John E. McMahan, Head, Department of Agriculture. Candidates for degrees in the College of Home Economics will be presented by Miss Mary Ida Flowers, Head, Department of Economics. Conferring of degrees and the awarding of diplomas will be by Dean Pendergrass.

## New Courses To Be Offered Here In Biological Science

A number of new courses will be offered in biological science, the Volette has been informed by Mr. George Horton, head of the liberal arts department. Seven of the courses will be added the coming year. Five others will be taught beginning in 1958-59, Mr. Horton stated.

Courses to be added the year of 1957-58 are as follows:

Biol. 101-102-103 — Elements of Biological Science — Fall, Winter and Spring Quarters, respectively.

Bot. 113 — Fundamentals of Botany — Spring Quarter

Bot. 303 — Field Botany — Spring Quarter

Bot. 313 — Plant Pathology — Spring Quarter

Bact. 242 — Advanced Bacteriology — Winter Quarter

Zoo. 311 — General Entomology — Winter Quarter

Zoo. 436 — General Genetics — Spring Quarter

In addition to the above, the third quarter of the Comparative Anatomy course, formerly Zoo. 241-242, will be offered for the first time. These three courses will be offered for the first time. These three courses will be carried under the new numbers, Zoo. 301-302-303.

Courses to be added in 1958-59 are:

Bot. 301 — The Plant Kingdom I — Spring Quarter

Bot. 421 — Introductory Plant Physiology — Fall Quarter

Bact. 321 — Agricultural Bacteriology — Winter Quarter

Zoo. 313 — General Entomology — Winter Quarter

Zoo. 323 — Ornithology — Spring Quarter.

## Music Department Presents Recital

Thursday, May 16, the music department presented soprano Bettye Lynn Privett in recital. Miss Privett, selected as "Most Outstanding Music Student" at UTMB this year, sang selections by Bach, Recl, Shumann, Schubert, Grieg, Delibes, Ronald, Beach, and Manning. She concluded the program with a beautiful rendition of Friml's "Indian Love Call."

Assisting Miss Privett were other private students of Miss Harriett Fulton. Piano solos were presented by Helen Cherry, who played "Polonaise in A flat major" and "Aufschwung," Rita Wiley, playing the masterful music of Mozart, Chopin, and Beethoven, and Ruth Dodson, who played "Military Polonaise" and DeBussey's immortal "Claire de Lune."

Vocalists other than Miss Privett were Shirley Grant singing "I Love Thee" and "Danny Boy," Thomas Boone, who sang the robust "La Donna Mobile," "My Lady Walked in Loveliness," and "Sometimes I Feel Like a Motherless Child," and Beth Goff's renditions of the beautiful "Serenade," "Caro mio ben," and a refreshingly different number, "There Are Fairies."

The invocation will be given by the Rev. Lowell Council, pastor of the First Methodist Church, Martin. The Rev. Mr. Council will also give the benediction. The UTMB Chorus, under the direction of Miss Harriet Fulton, will sing two numbers. They are "Hear My Prayer, O Lord" and "Remember Now Thy Creator." The processional will be played by the UTMB Band under the direction of Mr. J. L. Taylor.

## Degree Program To Be Instituted Here This Summer

A new degree program in elementary, secondary and business education will be instituted at The University of Tennessee Martin Branch, beginning the first summer term, June 10, Professor Glenn S. Gallien, head of the department, told the Volette this week.

The program, recently authorized by the board of trustees, was set up by a joint committee composed of faculty members of U-T Knoxville and of the Martin Branch to conform to the standards of the College of Education of the University, Professor Gallien stated.

Upper division courses leading to the bachelor of science degree in education will be offered during both summer terms. Courses in both elementary and secondary education have been scheduled.

Dr. Ira N. Chiles of the College of Education, U-T Knoxville, will assist the Martin Branch staff in presenting the courses. This will be Dr. Chiles' second summer as teaching professor on the Martin Branch campus.

### WHAT WILL OUR ANSWER BE???

The words "school spirit" have almost been worn out in the last several editorials in the Volette, but it's something about which it seems that the student of UTMB have to be reminded. Perhaps this statement is a bit harsh, but the supporters of those two power-packed words seem to be definitely in the minority on the UTMB campus. Why??

The first answer which nine out of ten students and faculty members would give would be "This is a suitcase college." That statement may be well true, but what happens to the other four or five days in the week? The majority of the activities on our campus occur on those other days anyway, so that is not a very substantial reason. This brings another question to mind—why don't students want to stay on the campus on the week-ends? The main reason is "There's nothing to do!" If that be the reason, the answer to this should be, "Let's start something." Of course, we would have to go through the proper channels of permission, but if enough students showed an interest, it could be done. But as long as we sit back and expect "someone else" to do it, the situation will remain the same. If you have an idea or suggestion for the betterment of our school, don't be afraid to tell it to someone. There is always going to be some faculty member who plays an influential part in the administration of our school who will be willing to listen, and perhaps, give a few helpful suggestions.

A school is made up of her students—the students sometimes become tiny cogs in a great wheel, when they really should be the main spokes which keep the wheel turning. If the former happens to UTMB where will the fault lie? With you and me—the students of UTMB.

This school year is drawing to a close, we realize, but what is going to happen next year? Will it be the same thing that's been happening for the last ten or twenty years? Or will UTMB be filled with a new vigor and determination to start growing in ALL ways as one of the finest schools in Tennessee?

The annual David C. Allen Memorial Speech Contest was won by Helen Smythe. Shown with her are Jere Freeman, who placed third, and Jimmy Townsend, who placed second.

## One Girl's Opinion

By SYLVIA PETREE

Spectators, respectfully silent, in a darkened football stadium; sophomore girls in white and the boys in black—each with a lighted candle; shadowed outlines of the students as they circled to form a big "T"; voices rising in song, it was Aloha Oe—farewell to departing seniors.

I am nearing the end of my second year at the University of Tennessee, in Martin, and, while viewing the impressive Aloha Oe ceremonies last Friday, I fondly reviewed the many phases of my university life. I remembered occasions when laughter and fun were the order of the day; and I remember other occasions, such as Aloha Oe, when the passing of time brought forth a tingle of sadness.

I remember so much, so very much. The purposeful classroom activity; the dancing at the Wag-on Wheel; football; baseball; basketball; the struggle to master a tennis ball; a walk across campus—each day of this past two years has added something special to my life, and my treasure chest of memories keeps right on growing. I see the approach of summer vacation with more than a little regret, and when the campus does become quiet, when the familiar faces gradually disappear, I should like to stroll along the walks and extend a heart-felt "thank you" to each spacious lawn, each waving tree, and to each beautiful patch of flowers.

When I first decided to come to Martin to study, I did so with certain reservations. I had many questions that needed answers. I guess everybody does when they are leaving the established security of a home and are entering a new place with new faces. Would I get lonesome? Would the living quarters be nice? Would the instructors help me over rough spots? Would I be popular on campus? Would I like the people I'd meet? Would I be able to participate in campus activity? Would I do well in my studies?

So many questions—and each seemed to be of world-shaking importance at the time.

But then the answers seemed to come in a rush, everything seemed to fall into place all at once, and suddenly it was time to quit worrying and begin to enjoy and to appreciate.

Perhaps the guiding emotion in my campus life is a sense of pride that already is deeply rooted. Not only am I proud of the school as a whole, but I am pleased when a classroom project is done well, or when a student smiles at me for no special reason—just the knowledge that I am a student, too. I am happy to see our teams win, and I am proud to observe the sportsmanlike way they accept defeat. I have become aware of the fact that there are countless people with many problems greater than mine, and it is pleasing to see the various forces at work on our campus helping to solve those problems.

It is fine to think back and to remember, it is pleasant to review those wonderful months so full of nice things and nice people, but there is a future, too, and it promises even more.

I can remember when the all important goal was simply to do well at school, to be accepted, to have fun. But into my thinking

has crept the realization that I am just beginning, that I've only opened one door, and that the years ahead can be good or bad—depending on how things are handled now.

So I have a greater asset which can be directly attained to my training here, and that is a new feeling of responsibility. Suddenly the words spoken by my mother and father as I grew up have taken the hold they intended, and I am sure that they, too, would join me in a hearty "thank you" to everyone here who helped bring it into evidence.

Thus my school has become part of my life, and it shall remain so always because here my adult being has been able to find a foundation for the years ahead, and it is here that the questions are asked and answered—questions and answers that help make the foundation a solid one.

Now, while you listen to the opinion of just one girl, stroll with me past the beautiful new dormitory to the library; sit with me while I do research for a class paper; glance around at our rolling lawns as we pass the Home Economics Building and cross to the gymnasium, and observe with me as the students, some graceful, some awkward, engage in countless activities.

Pause with me now, and consider what I have said, then you must agree with me when I try in my limited way to tell you how fortunate I am, how lucky I feel, to have been permitted to become a part of this we see about us. And you must also agree that this campus and these wonderful people are but a part of a national heritage, stemming from struggles and mistakes, that now makes it possible for me to be here.

I am full of anticipation, and constantly aware of the years ahead of the responsibility I gladly accept—and I will be eternally grateful to this school and everyone connected with it for helping me develop the tools needed to fulfill that responsibility.

Come and see us in Martin, at UTMB: we'd be so happy to see you.

### 'T' CLUB SOCIAL HELD AT REELFOOT LAKE

The "T" Club had its annual spring picnic May 11 at Reelfoot Lake. Approximately fifty people, including the club members, their guests, and the club sponsors, had a very delightful time.

The group left the college campus immediately after their mid-day meal. As soon as they arrived at the lake, they, no sooner said than done, were off for an afternoon of swimming at Magnolia Beach. The water was a little bit on the chilly side, but everyone enjoyed himself just the same.

After an evening of swimming, the group gathered at the Cypress Point picnic grounds to roast wieners and marshmallows. No one was heard to complain about their not being an ample supply of food.

Everyone had a splendid time, and some remarked that they were looking forward to the event next spring.

## ROTC Concludes Successful Year

By WAYNE SMITH

Thursday, May 15, marked the conclusion of another year of drill for the cadets. This drill was the last occasion on which many of the cadets will wear an ROTC uniform. However, there will be some to continue in advanced ROTC training at other colleges and universities.

At the last drill, several presentations were made to deserving cadets. Lt. Col. John M. White was awarded a ribbon for the most outstanding second year cadet, and Jimmy Blankenship was honored likewise as the most outstanding first year cadet. Each member of the rifle team received a letter T with crossed rifles on it. Any member of the team who did not receive a letter is requested to report to Sgt. Sanders.

The cadets then showed their appreciation to the sponsors by giving each of them a small realistic saber.

John M. White and Larry H. Johnson also received awards for first and second cadet in the corps, respectively, at Aloha Oe.

There was also a note of praise extended one of the rifle team members recently. Richard Spellings Smith received a letter from Headquarters Continental Army Command at Fort Monroe, Virginia, in recognition of his high firing achievements this year. His firing record for the season was the best fired currently in this area. It closely approached the qualifying mark of the Olympics and International Firing matches. Smith was urged to continue firing by joining his home town rifle club and participating in competitive firing in the Armed Forces.

The rifle team thoroughly enjoyed their trip to Murray State even though they lost the match. They have set Murray State's defeat as a goal toward which they will strive next year.

The ROTC faculty will be spread far and wide this summer as they travel to various places to instruct advanced cadets. Sgt. Sanders and Sgt. Bailey will go to Fort Benning, Captain Hayes to Fort Campbell, and Major Martin to Fort Bragg. Sgt. Koch will be the only member of the military personnel left on the campus this summer.

Incidentally, we won't have Captain Hayes with us much longer. The department has already been notified of a replacement, and Captain Hayes is expecting his reassignment at any time.

## Alumni News

Another graduating class brings new alumni into the Alumni Association. Most of this year's graduates are well on their way to making outstanding citizens and alumni. Many have already accepted jobs or have made plans to do graduate work.

Joe Cherry, Donald Freeman, Billy Gossett, Cary Duren, Bennie L. Johnson, and Frances LaFont are going to different universities in search of more knowledge.

Joyce Owen and Grace Simmons will be serving dietetic internships. Joyce will go to Pennsylvania State College and Grace to Barnes Hospital in St. Louis.

The USDA Inspector Service and Soil Conservation Service claim David Forrest, William Parr, Pete Kirk, Morrison Hulme, James Matlock, Norman Robertson, Amos Kennedy, Billy Gullledge, and Glenn Headden.

Some others already employed are Tommy Barnes, who is working in Seabrook, N. J.; Dickie Cooper, with Pet Milk Co. at Scottsville, Ky.; Dixie Dyer is employed by Ohio Gas and Fuel Co. at Medina, Ohio; Margie Jowers has accepted work as Assistant Home Agent of Cannon County; and Billy Whitehead is working with Pet Milk Co. in Mayfield, Ky.

Some of the older alumni have been on the move, too. Gerald Brown, who is stationed with the Army in Seoul, Korea, writes that he has seen Bob and Bill Kirk, who are also stationed there.

Harold James is now employed by Rotary Lift Co. in Memphis. His wife, Jo Ann, is teaching at Messick High School in Memphis.

# Campus News

Well, our days of writing this column will be finished this issue. We have enjoyed our small part in broadcasting the "gossip." We hope you have enjoyed reading it and have more nearly kept up with people on the campus. Since this is our last column for the year, we will try to include a lot of names.

Of course, we have the "steadies" and engaged couples. Among these are: BUDDY and ANN, KIT and NANCY, FREDDIE and JANICE, JERRY and KAY, TOM and CHARLOTTE, JIM and SUE, AL and SANDRA, SONNY and GLENDA, RICHARD and JANICE, TOMMY and PEGGY, TOM and JANE, LARRY and ROBERTA, ROADRUNNER and OOMY, GLENN and SHERRIE, LARRY and PATSY, GENE and KAY, GENE and MARGARET, BOB and INEZ, HARVEY and KITTY, DOUG and JAN, and just oodles of others. We should have known better than try to name them in one issue of a four page paper!

Yes, once again we find BOB and INEZ together after a short intermission.

Just who in Freeman Hall are SAMMY NEWBILL and TOMMY BRANCH interested in? They're always with the whole bunch.

We have also noticed that DAVID GALLAHER and PEGGY KNOX are spending a great deal of time together. Is that a steady, yet?

DAN ARNOLD once again goes on the prowl. MARY ELIZABETH GRABIEL is attracting much of his attention these days.

We certainly did hate to see JIMMY WAYNE lose so much of his beautiful hair. As though a stacked room every day isn't enough, someone now tampers with Jim's most prized possession, his hair.

Will DONNA JOHNSTON ever make up her mind? Donna, there's no need of taking two boys out of circulation. Surely someone would be glad to help you with JOHN CRENSHAW or THOMAS McANULTY.

DAVID SHOAF and LINDA ROSS are still seen together mighty often.

NANCY JO DORAN came back to life FRIDAY. Not because classes were over, but because LIGE TURMAN was back on campus after a two weeks' absence.

We just can't figure out a few things about MARK FARRAR. We do know that his eyes snap every time they glance at JANICE NOWELL.

The people at the T Room and Dinner Bell enjoyed a free show Friday afternoon. The question running through a lot of minds was NANCY STEWART learning to play leap-frog or was KIT HAYNES acting as a means of transportation?

At each dance we seem to discover new local talent. The Commencement Dance brought to the spotlight SON (Elvis) SCOTT, who entertained with a couple of songs.

Several boys are envying the cat that chose Freeman Hall for its home. KAY PRITCHETT is very fond of this little four legged creature and sometimes even brings it food.

Everyone is hoping that our ailing classmates JIMMY DALLAS, BETTY NELIUS, and JIMMY TYSON will soon be okay again.

Our school year closes and many of us will not be back next year, but there is one thing for certain: that wherever you go and whatever you do the friends made here at UTMB will always remain with you. Good luck!

"SALT" and "PEPPER" have joined forces to make an unusual combination. ROY JONES and SUE RICH have proved it can be done quite successfully. Congratulations and the best of luck to you both.

"Wherever he goes, I'll go" seems to be ELEANOR GRESHAM's sentiments as the end of the school year advances.

BROOKSIE and HELEN CLAIRE think "Nogila-blossom" is the greatest. You must remember the children!

If you notice any scars on Reed Hall girls, it's because PATSY WHITEHEAD is becoming a professional wrestler.

The most tragic thing that could happen is to get the "hots" at the end of school. "DARNELL" and DONALD ALFORD seem to think so, anyway.

"CRACKER-JACK" McCRACHEN and SONDR RUSH are added to the list of new steadies.

The front yard of Reed Hall has been turned into a playground. If you prefer games like red rover, please tip over and join us.

DURWOOD has started ANN USSERY a managerie by giving her a panda bear. I hope this one stays off the roof of the Blue Goose, oops, Browning House.

MARIE WILSON's ROBERT is co-oping this quarter so the weeks are rather long, but brother!—when those week-ends do roll around... WOW!!

Among the Lovelace "steadies" or at least "steadies" are: DOUG and GAYLE, RICHARD and JANICE, TOMMY and PEGGY, MELVIN and FRANCES, LUCKY and SYLVIA, and JIMMY and SUE. Ah, these spring nights, too!

On June 7 ROSE BEARD will become MRS. PAIGE BAIRD, so congratulations and best wishes are in order, and we really mean it, Rose.

Another Lovelace Kat has found THE man, look like. DOLLY LAMBIRTH (who is now working in Frayser) is engaged to MALCOLM BURKE and they are now making plans for a September wedding.

JIMMY HICKS and SUE WIMBERLY got the shock of their lives on one of the recent outings. If you need any first hand information on electric fences, just ask them. They got a large charge.

LACY, DARBY, and KEE seem to have the choice room around Lovelace. It could be because of the traffic because they are all "drag racing" fans, but at any rate, they seem to have some pretty good times in that corner room.

I guess SYLVIA PETREE knocked everyone cold by showing up at the dance escorted by EDD SUMROW. When he's not around she certainly is "Lucky" to have a '57 convertible to drive and the owner isn't bad company either, from what I hear.

I understand TOMMY RICHARDSON is considering going back to grade school next year, preferably in Camden. I wonder if PEGGY's being the teacher there has anything to do with such a plan!

Some girls just seem to prefer these boys back home. On Friday afternoon, or Saturday morning at the latest, BETTY CURTIS, MARJORIE HEARN and usually NORMA SCHWAM, have packed their bags and gone home.

Anyone need any spring cleaning done? Well, ROSEMARY TURNER is an expert rug-shaker, and she always picks the right time to "accidentally" drop the rug out the window.

The annual Commencement Dance proved a fitting climax to the year-long round of social activities on the campus. A record crowd attended this year's dance, which was held May 18 under the sponsorship of the Freshman Class.

## Commencement Dance Marks End To Social Season

The annual Commencement Dance sponsored by the Freshman class was held Saturday night, May 18. In keeping with the theme, "Springtime Down South," the entrance to the gymnasium was decorated with a southern garden complete with birdbath and lawn chairs. The dance provided the social climax for the spring quarter and was attended by a large crowd.

The interior of the gymnasium was beautifully decorated carrying out the theme with the front of a plantation home, a river steamboat, and a wishing well beneath a billowing sky of shining drapery. Southern Belles and their beaux waltzed (and bopped) to the music of Tom Lonardo's orchestra, and enjoyed refreshments of punch and cake later in the evening.

All present enjoyed this evening in the Old South, and congratulations are in order for the Freshman class.

## Advanced Foods Class Has Last Two Projects

The Advanced Foods Class entertained the senior class of 1957 with a going away party on Wednesday night, May 22. The party was held in the Nursery School with a number of seniors and faculty members attending.

Many interesting and exciting games were played after which we were divided into groups of three. The groups went into the kitchen where each group enjoyed popping their own corn. Cakes were served with the popcorn.

On Thursday, May 23, the class also entertained with a coffee from 8:40-10:00 a.m. honoring the secretaries and dorm mothers at UTMB. This was held in the Home Economics dining room and living room.

Each member of the class participated in making this a successful event for the last project of the year.

## REED HALL SOCIAL HELD ON MAY 10

By ANN COX

The picnic grove here on the campus was lively with the Reed Hall social Friday night May 10, from 6:30 to 9:00 p.m.

The smoke got in their eyes but this didn't distract from the fun that the Reed Hall girls, their guests, and the chaperones had at the wiener roast. To complete the activities of the social a dance was held on the tennis courts.

Everyone was invited and everyone seemed to enjoy what may be the last party for Reed Hall.

## UTMB Volunteer Staff Has Annual Banquet

"Oh, look at that horrible picture!" "Isn't he the cutest thing?" These were just two of the statements that could be heard at the annual staff banquet last Tuesday night with the presentation of the 1957 UTMB Volunteer as the highlight of the evening. The staff said that "This year's annual is definitely the biggest ever, (241 pages) and we're hoping it is the best!" Each of the staff members was presented with his annual the day before the student body received theirs.

The banquet was attended by staff members and their guests. Special guests were Mr. and Mrs. Norman Campbell and Mr. and Mrs. Bill Wheat. Mr. Campbell is the staff sponsor. Later on in the evening two of the positions which will be filled on the editorial board next year were announced. David Fitzgerald will be serving as Assistant Editor and the job of Business Manager will be taken over by Joyce Thomason. The editor-in-chief will be announced later.

This year Betty Sample and Barbara Brooks have served as co-editors of the UTMB Volunteer.

## Ag Club Holds Year's Final Meeting May 20

By GENE WIMBERLEY

The Ag Club held its last regular meeting of the school year May 20 at ABL 200.

There was a lot of business to be conducted before the school year ended. A report was given on the float which represented UTMB in the Strawberry Festival. The float placed second in the Most Beautiful Float Division. Those responsible for the construction of the float were: Danny Kerr, Buddy McCullough, Paul Ivy, Ancil Harville, Mark Farrar, David Gallahe, Martha Phillips and Gene Wimberley.

The main item of business was the election of fall quarter officers. They are as follows:

President, Mark Farrar; Vice-President, David Shoaf; Secretary, George Gossett; Treasurer, Tom Hendrix; Reporter, John Leeman; Critic, Danny Kerr; Sergeant-at-Arms, Jimmy Kerr; and ASC Representative, Gene Wimberley.

The election of Aggie-of-the-Month, -Quarter and -Year was next on the agenda. Those nominated for Aggie-of-the-Month were: Paul Ivy, Bobby Smothers, and Robert Patrick. Paul Ivy was elected.

Those nominated for Aggie-of-the-Quarter were: Mark, Farrar, Paul Ivy, and Jere Freeman. The one elected was Mark Farrar.

The Aggie-of-the-Year is elected from the Aggies-of-the-Fall, Winter, and Spring Quarters. Those being honored were Jimmy McKee, David Gallahe and Mark Farrar. David Gallahe was the lucky recipient of this honor. We feel that these three are to be congratulated for holding these honors.

Jamie Brown won the door prize. The meeting was adjourned until next fall.

We want to thank each and every one that has participated in the Ag Club activities.

## Baseball Squad Enjoys Picnic

UTMB's baseball squad ended its first season May 23 with a picnic supper at the home of H. C. Allison, business manager. Attending were members of the team, Coach Ed M. Chenette, Athletic Director James Henson, Official Scorer John Hamilton, and Athletic Committee Chairman Lloyd King, and their wives.

Hamburgers and wieners were the two main items with trimmings of beans, salad, slaw, cookies, and soft drinks. Following a period of conversation and "jokes," the picnic came to an end.

Squad members attending were Burton, Reasons, Shanklin, Gobel, Crossnoe, Riddick, Bob Joyner, Bill Joyner, Huskey, Thomas, Galbreath, Penn, Fields, Davis, Bruff, and Overton.

Engineering: James Hearn of Jackson and Tony Ross of Henderson.

Home Economics, Lower Division: Eleanor Gresham of Cordova and Kay Groves of Dover.

Upper Division: Martha Phillips of Henderson and Patricia Kirk of Milan.

Liberal Arts: (tie) William Craig Grant of Alamo and Jerry Watson of Martin; second, Paul Norman, Jr., of Waynesboro.

Chorus Awards: John Taylor of Bells and Bettye Privett of Friendship.

Military Science: John M. White of Martin and Larry Johnson of Scotts Hill.

Physical Education: Mark Farrar of Shelbyville and Kate Dean of Crockett Mills.

The Highest Scholastic Honors for 1956-57 sponsored by Martin Rotary Club and Federated Women's Clubs of Martin will be announced at commencement on June 2.

## Many Students Pass Red Cross Course

By HELEN CLAIRE CHERRY

This swimming has really become a popular event on our campus this year. A lot of students are getting their instructors and lifesaving courses and are the holders of good summer jobs. These courses enabled them to do this.

The following people passed the Red Cross Water Safety Instructor Course: Kathryn Adkins, Union City; John Dalrymple, Memphis; Phyllis Ford, Greenfield; Bill Graves, Union City (high school student); Robert Wayne Martin, White Bluff; Harriette Lavenue, Ridgely; Kenneth Moore, Memphis; Billie Poston, Greenfield; Perry Smith, Memphis.

The following people passed Senior Lifesaving Spring Quarter 1957. Instructors were Butch Winter and Ronald Horner. The instructors for the instructors part 1 were Tommy Kerr and Helen Smythe. For part 2, the area representative for the Red Cross was the instructor.

Those passing were: Johnnie Alexander, Don Anderson, Tom-mye Branch, Ruth Caldwell, Beverly Dawson, Ruth Dodson, Paul English, Harvey Gardner, Albert Markham, Don Hovis, Janice Nowell, Sarah Montgomery, Rita Wiley, Danny Wilkins.

## Boost the Vols

### Netters Complete Successful Season

UTMB's Men's Tennis Squad compiled a great record during the past season. The racket wielders of Coach Jimmy Henson won 7 and lost 2 for their most successful season in history.

The team's record was compiled despite the loss of several veterans from last year and the handicap of constant bad weather. Members of the squad were John Crenshaw, Fred Hummel, Bill Wheat, C. C. McCall, David Sisk, Tom McAnulty, Tommy Lovell, and Azwell.

UTMB opened its season April 11 as it played host to Martin College. The Vols won a decisive 7-0 victory in this match. In singles, Crenshaw beat Pinkston 6-3, 6-1; Hummel beat Looney 6-0, 6-3; Wheat beat Welland 6-3, 6-0; McCall beat Kannon 6-3, 6-2; and Sisk beat Cantrell 6-3, 6-4. In the doubles Sisk and Crenshaw beat Pinkston and Kannon 6-3, 6-3; and Hummel and Azwell beat Looney and Cantrell 6-1, 9-11, and 6-4.

The two teams met again April 26 at Pulaski. UT triumphed again, this time by a 5 to 2 margin. In singles Crenshaw (UT) beat Pinkston 6-2, 7-5; Kannon (M) beat Hummel (UT) 6-1, 7-5; Sisk (UT) beat Looney 6-2, 6-0; McCall (UT) beat Perry 9-7, 6-0; and Kilburn (M)\* beat Cantrell (UT) 6-2, 6-4. UT won both doubles matches with Crenshaw-Sisk beating Pinkston-Kannon 6-1, 7-5; and Hummel-McCall beating Looney-Perry 6-4, 6-0.

UT met Paducah J. C. April 30 at Paducah and won 4-3 in a close fought match. UT gained a 1-point margin in the 5 singles and split the doubles. In singles Feezar (P) beat Crenshaw 6-1, 6-2; Hummel (UT) beat Shelton 7-5, 6-0; Sisk (UT) beat Shaw 3-6, 6-1, 6-3; Shelton (P) beat McCall 6-4, 6-3; and McAnulty (UT) beat Rush 5-7, 7-5, 6-2. In the first doubles Paducah pulled into a 3-3 tie as Feezar and Shelton beat Crenshaw and Sisk 8-6, 6-2. UT won the final doubles and the match as Hummel and McCall won a decisive 6-3, 6-3 victory over Shelton and Shaw.

UT met Lambuth May 6 at Jackson and gained a 1-point victory, 5-4. The teams split the six singles and UT won the match by taking the first 2 of the 3 doubles. In singles Crenshaw (UT) beat Young 8-6, 6-4; McCall (UT) beat Smith 5-7, 6-3, 6-2; Sisk (UT) beat Horton 6-3, 6-3; Dew (L) beat McAnulty 6-3, 6-4; Seddens (L) beat Kilburn 6-3, 2-6, 6-0; and Clarke (L) beat Lovell 6-3, 6-3. In the doubles Crenshaw and Sisk (UT) beat Young and Seddens 2-6, 6-4, 6-3; McCall and McAnulty (UT) beat Smith and Dew 6-4, 6-0; and Horton and Clarke (L) beat Kilburn and Lovell 9-7, 3-6, 6-3.

The UTMB squad dropped a 6-3 match May 9 to Freed-Hardeman at Henderson. Freed-Hardeman won four of six singles matches. Clyde Woods beat Fred Hummel 6-1, 6-3; Joe Taylor beat David Sisk 6-1, 2-6, 6-1; Don Harriman won over John Crenshaw 6-4, 6-3; and Emmett Roberts edged Tommy Lovell 4-3, 3-6, 6-1. UTMB won two matches when C. C. McCall won over Phil Summerall 8-6, 6-2; and Thomas McAnulty beat Bobby Thompson 9-7, 6-3.

Freed-Hardeman also captured two of the three doubles matches. Crenshaw and Sisk suffered defeat at the hands of Harriman and Woods 6-3, 5-7; McAnulty and Lovell lost to Thompson and Roberts 6-1, 3-6, 6-8. The only doubles match won by the Vols was 6-1, 4-6, 7-5 victory by Hummel and McCall over Taylor and Summerall.

May 10 UT met Union University at Jackson and won a 6-2 victory. UT won 5 of the 6 singles and split the 2 doubles. In singles Crenshaw (UT) beat Briggs 6-3, 3-6, 6-3; Hummel (UT) lost to Johnsey 2-6, 6-2, 5-7; Sisk (UT) beat McKaye 6-1, 8-6; McCall (UT) beat Sorrell 6-2, 7-5. In the doubles Griggs and Johnsey (U) beat Crenshaw and Sisk 6-3, 11-9; and McAnulty and Lovell beat Putnam and Sorrell 6-2, 12-10.

UT played host to Paducah May 16 and won a second 4-3 victory. UT gained the win by taking 4 of the 5 singles. Feezar (P) beat Crenshaw 6-2, 6-0; Hummel (UT) beat Shaw 6-4, 6-0; McCall (UT)

### Vol Mishaps Help Union To Easy Win

The Vols played their only night game of the season May 16 and "lost" a 15-5 decision to Union. The "game" bore no resemblance to the 2-0 10-inning thriller the teams had played 6 days earlier. The Vol infield fell completely apart and committed 12 errors with Riddick making 4, his only misplays the entire season. Burton pitched good enough ball to win as he allowed only 8 hits. In fact, only 1 of Union's 15 runs was earned, which tells the story.

Despite the many Vol errors, UT trailed by only 2 runs, 6-4, going into the last of the 7th. Union then scored 6 runs on 2 walks, 3 errors, and 2 hits. They scored their final 3 runs, all unearned, off Gobbel in the 8th. Rushing led UT with 3 for 4 and 2 runs scored. He also batted in 1 run. Davis scored the other 2 Vol runs. UT had 9 hits, one more than Union, but Union made "only" 5 errors.

### Vol End Season With 9-1 Win

The Vols of Coach Ed Chenette ended their season May 21 with an easy 9-1 win over the Wingo, Kentucky, Independents. The game saw UT jump off to a quick 3-0 lead on Penn's 1st inning home run and steadily increase it.

Coach Chenette used every player in the finale. Burton pitched the first four innings. Crossnoe pitched three and Shanklin pitched the final two. The Vols showed a well-balanced attack. Penn had 2 hits and 4 runs batted in. Burton led the batters with 3 hits, including a triple. Bill Joyner, Riddick, and Crossnoe also had 2 hits each.

In the 1st Bill Joyner and Riddick singled and scored ahead of Penn's 2-out homer. The Vols added 2 in the 3rd on a walk to Rushing, a triple by Burton, and a single by Riddick. They boosted their lead to 7-0 in the fourth on a walk to Rushing, a single by Bill Joyner, and a single by Burton with Joyner also scoring as the centerfielder erred. The Vols' final 2 runs came in the 6th. Galbreath, who had replaced Rushing, got on on an error. Burton singled and the two later scored on hits by Penn and Crossnoe.

Wingo scored in the 8th. Mays singled and Shanklin walked. D. Yates and Mires to load the bases with no outs. V. Yates got a scratch hit with Mays scoring. Shanklin then gave a fine display of cool pitching. He caught a pop-up for out No. 1 and then struck out the next two batters.

#### Two Tie in Batting Race

Co-batting champs were crowned on the UTMB baseball team. Tied for the lead were Jerry Riddick, first baseman, and Bill Joyner, shortstop-third baseman. Both had marks of .353 on identical records of 12 hits in 34 times at bat.

The batting race saw Riddick and Tyson off to an early lead with marks of .500 and .461 after the first three games. Joyner at this point had only a .230 average. Joyner made 9 hits in his last 5 games to catch Riddick. Tyson fell off to .259 as he made only 1 hit in his last 14 at bats before being sidelined with an injury.

Billy Crossnoe with .307 and William Penn with .300 were the only other batters to reach the coveted .300 mark. Tyson led in home runs with 3 and in runs batted in with 10, all of the homers and 9 of the runs coming in his first three games. Penn had the team's only other home run and was second in the rbi column with 7. Riddick had the most extra base hits, 4, and had 5 rbi's.

Rushing, the lead off batter, had the best eye. He walked 8 times and had only 3 strikeouts. Galbreath was second in walks with 5. Penn led in strikeouts with 10. Bob Joyner was next with 7. He was followed by Galbreath and Fields with 6 each.

Coach Chenette stated that it is hoped the letters will arrive by May 30. If they have not, they will be mailed to the individual players, he said. Players may check at the office of Athletic Director James Henson near the end of the week.

### PHYS. ED. 325 GROUP HAS 'SPRING FROLIC'

The physical education 325 class presented the first of its series of parties on May 15 at the gym. This is in fulfillment of the unit on social recreation which the class had previously worked on. The group was called together for much recreation and dancing. The party was then called to a close and a good time was had by all.

### Men's Intramurals

By VERNON ADCOCK

All of the intramural events of the year have been completed as this school year has just about drawn to a close. All of the individual members of the eight intramural teams have fought hard in the struggle for the intramural championship. Everyone wanted to win, but there can, as you know, only be one winner.

The Green team finally emerged as the champion of the 1956-57 intramural season with a total of 1237 points. Coach Henson and Miss Giles both agreed that they could not recall any point total ever exceeding that number. It may very well be an all-time high for the number of points accumulated in one intramural year. The Brown team came in second with 1131 points, only 106 behind the winning total made by Green.

The final standings of the intramural teams are:

Team	Points
Green	1237
Brown	1131
Blue	997
Yellow	950
Black	905
Orange	771
White	632
Red	553

In the men's softball tournament, Yellow and Brown fought their way through stiff competition into the finals of this major event of the spring quarter. After losing the first game of a best two-of-three series, Yellow valiantly came back like a good team should to win the next two games and become the softball champion.

Jerry Frame of Yellow emerged the batting champion with a .517 batting average. Several teams were represented with boys who tied for the runner-up spot in the batting with a .500 mark.

Vernon Adcock of Yellow was the winningest pitcher in the tournament. He won five while losing only one, that to the Brown team in the first game of the championship series.

The pitchers' records:

Player—Team	Won	Lost
Adcock, Yellow	5	1
Forsythe, Brown	1	0
Wheatley, Brown	2	2
McDaniel, Red	1	1
Thornlon, Green	1	1
Joyner, White	1	1
Tucker, Blue	1	2
Orr, Orange	0	1
Rucker, Black	0	1
Sisk, Black	0	1
Stevens, Orange	0	1

Don Forsythe and Annett Conner of Brown came through the mixed badminton tournament unscathed. They prevailed over Jerry Frame and Pat Trimble of Yellow in the finals.

Hugh Lashlee of Black became the new handball champion when he was victorious over Nick Thornton of Green in the finals of that event.

The four sophomores who will receive intramural letters for accumulating the highest point total are Mark Farrar of Black, Nick Thornton of Green, Freddie Hummel of Blue, and Tommy Lovell of Brown.

Congratulations are in order for Billy Gossett of Blue and for Mark Farrar of Black. Billy won the trophy given to the senior with the highest total of points, and Mark won the trophy awarded to the sophomore who led the point parade.

To all who will return next fall, let's resolve now to go from the first day of intramural events on through to the last to help our team win the championship for the 1957-58 season.

### Women's Intramurals

By HELEN CLAIRE CHERRY

Well, it looks as though we've ended another successful year of intramurals. We've had a whole lot of participation and team support by both the men and the women, and that's what made our year so successful. The competition has been harder this year than in the previous year. And besides being successful, it was FUN—you just ask anybody who played this year.

A whole lot of credit should be given to the Intramurals captains who are really the men behind the men. They have really shown team spirit and ambition. So to Eleanor Gresham of Black team, Billie Poston of Yellow team, Kay Pritchett of Brown team, Faye Hunt of Green team, Sylvia Peetree of Orange team, Suzy Cowell of White team, Carolyn McCorkle of Red team, and Doris Hettinger of Blue team, a salute for your excellent jobs in Intramurals. Each one of these girls will receive for her work as a reward a little orange and white T shaped pin.

The winner of the women's trophy for the sophomore with the highest number of points scored during the freshman and sophomore years here at UTMB is Kate Dean of the Green team. Kate has set a record of points set at UTMB, 294. She has also done an excellent job as Intramural manager this year.

The five leading sophomores, along with Kate, will receive school letters in intramurals. They are Doris Hettinger of Blue, Kay Pritchett of Brown, Helen Smythe of Brown, and Billie Poston of Yellow.

Ruth Ann McDaniel of Red team receives the Senior Upper Division Intramural trophy for the most points scored during the Junior and Senior years of college.

Something unusual has happened this quarter, and that is, that both the men and the women of Yellow team won the softball

championships. There was really a lot of team spirit shown in the softball tournaments, and an awful lot of excitement.

Doris Hettinger of Blue team, came out on top on the badminton tournament, with Billie Poston breathing down her neck for second place.

In the swim meet the high point maker was Billie Poston of Yellow team. Helen Smythe of Brown team was right in there trying and came out with second place. In the diving event Little Hulane Brooks of Red team was the victor, and Kay Atkins of White team came in second after a close race.

In all of the preceding events mentioned, the winners will receive medals.

The highest batting average softball player was Robbie Franks and Billie Poston came in second. Both are on Yellow team.

High point freshmen are: Carolyn McCorkle, Red, 80; Harriette Lavenue, Black, 76; Nancy Stewart, Green, 69; Mirt Dorsett, Blue, 62; Mary Elizabeth Gabriel, Green, 54.

There is no award offered to the high point freshman, but these points will surely help in determining the trophy for next year. Happy summer!
